

CAPABILITY STATEMENT

As a certified **SDVOSB**, CDS Services Inc., is committed to delivering prompt and professional pest control services. Incorporated in 2013 by veteran entrepreneur David Poplin, who brings over 35 years of **experience** to the pest control industry. CDS offers inclusive **Pest Control** services, including but not limited to general pests, bed bugs, termites, rodents, and weed abatement.

CDS Services Inc. specializes in developing custom **Integrated Pest Management** (IPM) Program for any type of government property. Our focus on the **environment** and the **safety** of others is reflected in our use of 25B Exempt products and EPA registered reduced-risk products.

Serving all 50 states within the United States, our commitment to excellence and our extensive experience position us as a **trusted provider** in the pest control industry. Our approach combines the latest in pest management technology, Industry Best Practices, and Standard of Care with traditional values of **service** and **quality**.
